February 2024

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
Get an early jump on Spring, call for a free estimate to have a new patio, stoop or driveway designed.	Flush salt-impacted or pet-stressed areas with water as soon as soil thaws enough for water to move through it freely. This leaches salts away from roots and reduces potential plant damage.			1	2 <small>Groundhog Day</small>	3
4	5 Inspect fruit trees for droplets that look like chewing gum. Pick them off and destroy.	6	7	8 Inspect house plants for pests, taking care to check under leaves.	9	10
