May 2017

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
 If you have not had your system turned on call now!	1	2	3	4	5 Deadhead Rhododendrons just after flowers fade. Prune Azaleas after they bloom.	6
7	8 It's only safe to plant annuals if night time temp's are above 55° Rule of thumb after Mother's Day!	9	10	11 Call for a free estimate for an automatic lawn sprinkler system.	12	13
14 Visit the Planting Fields Arboretum, and then take Mom for a nice dinner! Happy Mother's Day	15	16	17	18	19	20
21	22	23	24 Divide early spring blooming perennials after flowers have completely faded.	25	26 Plant veggies outdoors, apply compost & mulch.	27
28	29 Memorial Day	30 Prune spring flowering shrubs when finished blooming.	31	Remove Tulip foliage after it withers. Fertilize bulbs now to increase a repeat performance next year.		Chemicals to be applied this month: - Crabgrass - Pre-emergent - Weed Control
