TREE & SHRUB CARE AGREEMENT 2026

A professional tree and shrub program is essential to **protect plants from diseases, pests, and environmental stress** that cause decline or death. These programs provide proactive monitoring, specialized treatments (fungicides, insecticides), and nutrient management to defend against common issues like leaf spot, rust, and pests, ultimately enhancing landscape longevity and aesthetics.

TREE & SHRUB SPRAY APPLICATIONS	APPROX DATE OF APPLICATION	COST
Shrub Fertilization (Spring) - Enhances plant growth (Applied 2x a year)	3/1 – 4/21	\$90.00

Shrub Fertilization (Fall) - Enhances plant growth		\$90.00
All prices are subject to NYS tax.	Total:	\$630.00

NYS DEC requires that contracts MUST BE SIGNED AND RETURNED before any service applications are applied to your property.

ACCEPTANCE OF CONTRACT – The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work specified. I agree to the above contract terms for the season. I hereby acknowledge that I have received a copy of this agreement with "labels of materials" to be used, and consent to NYS required notification and posting. The property owner or owner's agent may request the specific date(s) of the application(s) to be provided and, if so requested, the pesticide applicator or business must inform of the specified dates and include that date or dates in the contract.
