A Powerful Collaboration in Outdoor Living

DOM'S Landscaping & Rare Products NY

Two trusted companies. One shared vision: creating extraordinary outdoor living spaces.

DOMS Landscaping and Rare Products NY have partnered to deliver complete, luxury outdoor transformations—from the ground up.

Together, we combine expert landscape design, masonry, planting, lighting, and outdoor environments with premium pergolas, motorized zip screens, retractable roofs, glass enclosures, outdoor kitchens, heating, lighting, and all-season outdoor living solutions.

Whether you're creating a private backyard retreat or a hospitality destination, our team provides a seamless design-build experience with one coordinated vision and uncompromising craftsmanship.

Our Collaboration Includes:

- Luxury landscape & hardscape design
- Custom patios, walkways & driveways
- Outdoor kitchens & entertainment spaces
- Premium pergolas & bioclimatic roof systems
- Motorized zip screens & glass enclosures
- Landscape lighting & architectural lighting
- Fire features, water features & planting design
- Four-season outdoor living solutions

One Vision. One Team. One Exceptional Outdoor Experience.

Let DOM'S Landscaping and Rare Products NY bring your dream outdoor lifestyle to life with innovative design, premium materials, and unmatched attention to detail.

3D Landscape Design

Visualize the space of your dreams before construction begins. Our advanced computerized 3D design software allows you to walk through your future landscape, ensuring every detail aligns perfectly with your vision. We've got you covered.

Water Features & Structural Outdoor Living

Turn your backyard into a private resort. The soothing sound of water combined with high-end structural features creates an exquisite, tranquil focal point in your estate.
